Aim of the LSAB

The London Safeguarding Adult Board (LSAB) is a partnership group seeking to identify and disseminate good practice as well as addressing complex cross borough issues. The London SAB supports local Safeguarding Adults Boards (SABs) through the SAB Chairs network.

The aim of the LSAB is to enhance the safety and wellbeing of adults across the Capital by:

- ▶ Overcoming geographical boundaries in adult safeguarding across London
- ▶ Facilitating engagement with national work programmes on safeguarding related areas
- ▶ Overseeing revisions to the London Multi-Agency Adult Safeguarding Policy and Procedures
- ▶ Providing assurance on implementation of the London Multi-Agency Adult Safeguarding Policy and Procedures
- ▶ Raising the profile of safeguarding across London
- ▶ Supporting organisations working with adults in London to meet their statutory responsibilities
- ▶ Supporting London's local SABs to meet their statutory obligations

Put yourself in my shoes and think about what it feels like for me to have someone else making decisions about me, and my life, and not listening to what I want to happen

Then think about what a difference it would make to me:

- ▶ **To have someone work properly alongside me – working with me, not doing to me;**
- ▶ **To really listen to what I want to happen;**
- ▶ **To focus on my needs and not the needs of the organisation.**

Please think about what it feels like for me to have assumptions and judgements made about me, by people I don't know, based on my situation, what has happened to me or what's written in my file

Then think about what a difference it makes to me:

- ▶ **To be treated as an individual; recognising my strengths and diversity;**
- ▶ **As someone special;**
- ▶ **As someone worth your respect; and**
- ▶ **Without judgements and assumptions being made about me**

Please think about what it feels like for me to have had to shout all of my life to be listened to

Then think about what a difference it makes to me:

- ▶ **If you take the time to stop and listen;**
- ▶ **If you treat me gently;**
- ▶ **If I don't have to shout.**

Put yourself in my shoes and think about what it feels like for me to have my views and lived experience dismissed by someone who thinks they know better

Then think about what a difference it would make to me:

- ▶ **if my lived experience both good and bad was valued;**
- ▶ **My views were acknowledged and respected; and were**
- ▶ **Not dismissed in a “doctor knows best type of way”**
