

BETTER USE OF CARE AT HOME EVENT - LONDON

Date: Thursday 10 March 2016
Venue: MSE Meeting & Training Rooms, 103a Oxford Street, London, W1D 2HG

Aims:

- To identify and discuss the key issues surrounding care at home, particularly in relation to good hospital discharge;
- Develop a list of solutions to help tackle the issues identified;
- Create a space to share innovation and new ideas;
- To begin to scope pieces of work that can be taken forward over the next 18 months.
